

PCYC Parramatta Youth Hub Reopens at Westfield Parramatta

PCYC NSW is excited to announce the opening of the PCYC Youth Hub at Westfield Parramatta. This new location will serve as a dynamic youth hub, offering its core mission programs and more designed to empower and support the local youth community.

In response to the past closure, PCYC has been actively working in the background to reestablish its presence in the community with a new, accessible location at Westfield Parramatta. The space will offer Fit for Life three mornings a week, this term but will expand in Term 4 with the introduction of the Fit for Work program. PCYC is also aiming to have the ever-popular Friday evening program U-Nites start in the coming weeks. PCYC will continue to work closely with the NSW Police to roll out additional community-focused programs, ensuring that youth outcomes remain a central focus.

Ben Hobby, CEO of PCYC NSW says "The reopening of the PCYC Parramatta Youth Hub at Parramatta Westfield shows our unwavering commitment to the community. Despite the challenges we've faced, we are more resolute than ever to provide a safe and empowering environment for our youth.

This new space will allow us to continue delivering our mission programs that make a real difference in the lives of young people. We are so grateful to The Scentre Group for giving us the opportunity to use this space. This marks an exciting new chapter for PCYC NSW, and we invite you to join us in celebrating this milestone and exploring the opportunities available at the new youth hub."

The official opening of this new youth hub scheduled for the 4th of September, is poignant also because this date is known nationally as "National Health and Physical Education Day". PCYC Parramatta is committed to fostering a safe and supportive environment for young people and is eager to continue its mission in this new location, however we are still on the lookout for a new permanent club home and look to the community for any opportunities that may present.
